### Definition of “Unreclaimed Acre”:

#### *Section 12-9 of the Waukesha County Nonmetallic Mining Reclamation Ordinance*

Those unreclaimed areas in which nonmetallic mining has occurred after August 1, 2001 and areas where nonmetallic mining reclamation has been completed but is not yet certified as reclaimed under subsection 12-24(b) of the county ordinance. However, the term does not include any areas described below:

1. Those areas where reclamation has been completed and certified as reclaimed under subsection 12-24(b) of the county ordinance.
2. Those areas previously affected by nonmetallic mining but which are not used for nonmetallic mining after August 1, 2001.
3. Those portions of nonmetallic mining sites which are included in a nonmetallic mining reclamation plan approved pursuant to the county ordinance, but are not yet affected by nonmetallic mining.
4. Areas previously mined but used after August 1, 2001 for a non-mining activity, such as stockpiling of materials used for an industrial activity such as an asphalt plant, concrete batch plant, block and tile operation or other industry that uses products produced from nonmetallic mining.
5. For purposes of fees under section 12-22 of the county ordinance, those areas within a nonmetallic mining site which the county has determined to have been successfully reclaimed on an interim basis in accordance with subsection 12-24(b).
